To Whom It May Concern,

I am writing this letter to provide a reference for Tri-State Parking, I have recently used their services for an event and have found them to be both reliable and professional.

After an unpleasant experience with another valet company we booked this year with Tri-State Parking and couldn't be happier with the results! Not only were they incredibly professional and accommodating, they also helped to facilitate our valet sponsorship, which helped us fundraise in a more efficient way by partnering with a local company. Our guests were incredibly pleased with their valet experience, which is incredibly important considering it is the first and last thing they experience at our event. We will certainly be booking Tri-State Parking again next year!

It is with much enthusiasm that I highly recommend Tri-State parking for any of your parking needs.
